3. Basic clearances necessary for attendance to this course are "T" and "EH". Additional clearances ("C", "I") are not essential but would facilitate contact with personnel at the [REDACTED] plant having experience in microdensitometry and familiarity with problems encountered in the traces of various missions. Arrangements for forwarding these clearances, as applicable, will be made following your concurrence for attendance of PID personnel.

4. Training will be for a period of four days and extend from 3 through 6 August 1964. No tuition will be paid by the individual. The only expenses will be for travel and per diem.

5. A reply to this memorandum will be appreciated at your earliest convenience to facilitate making final arrangements for this program.
